The All-In-One
Staffing and
Payroll Solution

Staff Wizard is your all-In-one Payroll Solution for Onboarding, HR, LMS, Scheduling, Management, Dispatching, Payroll, Invoicing, AR and much more.

Create Schedules
Staff Wizard lets you generate and manage schedules for multiple locations and employee types all on one page.

Mobile Payroll Reports
All reports are filed out using Staff Wizard's mobile app. This saves time and ensures communication stays up to date.

Hire Employees
Staff Wizard has a solution for every phase of employment with additional subscriptions like payroll available for purchase.

GPS And NFC Tracking
Create GPS and NFC checkpoints to ensure tasks are completed and employees are making their rounds in a timely manner.

Dispatch Management
What used to take an entire team can now be done with a few people. Manage and view live shifts in real time with our dispatch system.

Simplified Invoicing
Your finance department is now located in Staff Wizard's dashboard. From invoicing and Accounts Receivable to Payroll.
